

The vision of Conservation Volunteers is for a healthy and sustainable environment and for everyone to be involved in managing and protecting our local flora and fauna.

We have lots of exciting opportunities to volunteer during January and we would like to invite everyone to join us – especially if you have a love of the outdoors and want to help make a positive difference for the local environment!

Project Details:

All of our projects are designed to enable you to make a real difference to conserving the environment. You will be part of a team of up to nine volunteers and will be accompanied by a Conservation Volunteers Team Leader who will explain the project aims to you, and help you to complete each project safely and effectively. You do not need any previous experience as all training will be provided on the day.

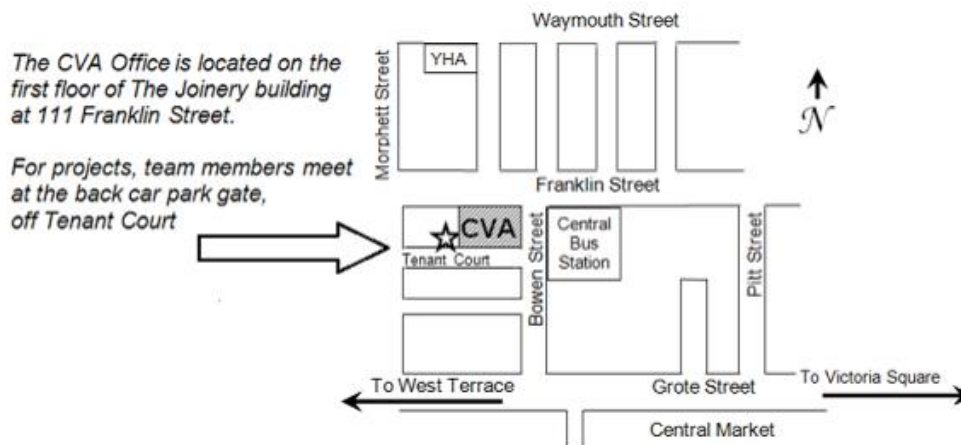

Typical activities on our projects include:

- Restoring and improving habitats
- Weed eradication
- Planting trees
- Building and maintaining tracks and trails
- Collecting native seeds
- Flora and fauna surveys

Project Specifics:

There is no cost for volunteering on projects, with transportation being provided from the city to and from the project site. Week day projects depart at 8am, returning at 4pm and weekend project depart at 9am, returning at 4pm.

Meeting Location:

It is also possible to meet on-site if that is easier for you, but please contact the Adelaide Office so we can confirm your meeting location and time.

What to bring and wear on project:

As your safety is our priority, there are a few things that you will need to wear to protect you from the sun, as well as any prickly plants or the bites and stings of animals:

- Strong work or walking boots
- Long pants (not leggings) and a long sleeved shirt
- Hat and sunscreen
- Work or gardening gloves (we do have some that you can borrow but it is always more comfortable to wear you own)

Please also bring a full water bottle that you will be able to re-fill during the day, as well as your lunch and any snacks – as conservation work can create quite an appetite!

Upcoming projects:

Please click on the hyperlinks for more information about each of the projects and to make a booking.

Monday 9 January - [Patawalonga Creek](#)

Tuesday 10 January - [Linear Park](#)

Wednesday 11 January - [Gilbert Pool](#)

Thursday 12 January - [Gilbert Pool](#)

Friday 13 January - [Breakout Creek](#)

Sunday 15th January - [Breakout Creek](#)

Monday 16th January - [Breakout Creek](#)

Tuesday 17th January - [Patawalonga Creek](#)

Wednesday 18th January - [Vernal Pools](#)

Thursday 19th January - [Breakout Creek](#)

Friday 20th January - [Breakout Creek](#)

Saturday 21st January - [Vernal Pools](#)
Sunday 22nd January - [Breakout Creek](#)
Monday 23rd January [Breakout Creek](#)
Tuesday 24th January - [Patawalonga Creek](#)
Wednesday 25th January - [Vernal Pools](#)
Monday 30th January [Patawalonga Creek](#)
Tuesday 31st January - [Vernal Pools](#)

How to book onto a project:

- Click on the hyperlink above for the project that you would like to join
- Click **Book Now**
- Click **Make my booking online** and then click **I'm currently in Australia**
- If you have not come out with us before you will need to Register – *DO NOT USE GOOGLE CHROME TO REGISTER, AS SOMETIMES THE NEXT STEP DOES NOT WORK*
- To register, fill in your details and click next to continue. You will then be sent an email to confirm your registration. Upon confirmation you will be asked to provide some more information and then your registration and booking will be complete.
- If you have already registered you will just need to login to complete your booking

Any questions or problems:

If you would like more information about our projects, or if you have any trouble registering and booking on for a project, please contact the Adelaide Office.

We look forward to getting you involved in our projects!
