

Nature Walk

Shepparton Regional Park – Aquamoves to Junction Walk

Celebrate Parks Week by walking in nature - it's great for your physical and mental health.

Enjoy a walk along the Goulburn River to the junction of the Broken River. Along the way we can learn about the importance of the river to our community and some of the species that rely on this water source. This is an easy walk along mostly cleared tracks roughly 1hr return. *Please wear enclosed shoes

Meeting Point: Near the all abilities playground on Tom Collins Drive, Shepparton

When: Friday March 16th 2018, 9:30am – 10:30am

You can register for these walks in the Nature Walks group on ParkConnect at www.parkconnect.vic.gov.au.

You will then be able to join all Parks Victoria's Nature Walk and Volunteer opportunities in the future.
