

Nature Walk

Tyers Park

Celebrate Parks Week by walking in nature - it's great for your physical and mental health.

Come along and join a guided walk on the W2 Track at Tyers Park. Set in the foothills to the north of the Latrobe Valley, Tyers Park encompasses the fine scenery of the Tyers Gorge where the Tyers River winds between steep forested slopes. The park has an abundance of diverse wildflowers and the birdlife, making it a favourite destination for naturalists. Outcrops of limestone and conglomerate are of geological interest. The limestone contains both plant and animal fossils.

Meeting Point: W2 Track on the Tyers Erica Rd

When: Thursday 15th March 2018. 9:30am – 10:30am

You can register for these walks in the Nature Walks group on ParkConnect at www.parkconnect.vic.gov.au

You will then be able to join all Parks Victoria's Nature Walk and Volunteer opportunities in the future.
